Today (3.17), **Warren Zeiders** announces his 27-date 2025 'Relapse, Lies, & Betrayal Tour.' The new tour will take Zeiders across North America, with a stop in St. Louis at Chaifetz Arena on October 25th.

General on-sale begins this Friday, March 21 at 10AM local time, with fan pre-sale starting Tuesday, March 18 at 10AM local time through Thursday, March 20 at 10AM local time. For the complete list of tour dates see below, or visit warrenzeiders.com.

On March 27, Zeiders will kick-off his 2025 "Relapse" Tour with a SOLD-OUT show at Nashville's new venue, The Pinnacle. The previously announced 25+ date major market tour is nearly sold-out, with only a handful of tickets remaining in select cities.

Zeiders is a true road warrior and shows no signs of slowing down, playing bigger markets and bigger venues. These 2025 "Relapse" Tour dates follow his incredibly successful 2023-2024 "Pretty Little Poison" headlining tour, which sold over 150k tickets across 55+ SOLD-OUT shows across the US and

Canada, including a standout performance at Nashville's iconic Ryman Auditorium and appearances at major festivals like Stagecoach, Faster Horses, Watershed and more, before performing as direct-support on Jelly Roll's *The Beautifully Broken Tour*.

His undeniable star power continues to capture audiences across genre lines and is rapidly cementing himself as one of Country's newest and most-promising genre staples. In 2024, he earned two, fan-voted PEOPLE's Choice Country nomination and won a CMT Award in 2024, and at just 25, Zeiders has already surpassed 3.6 billion+ global career streams and has earned a staggering 2 billion+ TikTok views and 7.8 million+ monthly Spotify listeners. He earned seven coveted spots on *Billboard's* 2024 year-end charts and kicked off 2025 with his first-ever European headlining tour. Additionally, in February, Zeiders performed at the *2025 New Faces of Country Music* showcase, which is fitting considering he had the No. 2 most-played song on all of Country radio in 2024.

On Friday (3.14), Zeiders released his 21-track album ***Relapse, Lies, & Betrayal*** via **Warner Records**, which was featured on [NPR All Songs Considered's New Music Friday playlist](#), [GQ](#), [Cowboys & Indians](#), [Fox News Digital](#) + more.
